To attract customers and get the word out about your business, you'll want to **create business cards, an official letterhead, brochures, sell sheets, postcards and fliers - and other printed material.**

Your printed material should convey your marketing message in a persuasive manner.

Presenting a professional appearance to potential clients or customers is very important! People will judge a book by its cover. **So, make sure you have top-quality printed material!**

What you produce to advertise your business tells your customers a lot about your business – how you run it, how seriously you take it, and how they are going to be treated.

Make your business and your printing material memorable in your customers' minds!
