

General Compliance Statement

All inks, substrates and laminates used by TradeNet Publishing, Inc. are purchased through established domestic suppliers. Each ink or raw material has been tested and runs below the limits for lead and phthalates set forth by the CPSIA of 2008.

Inks, magnet substrates and laminates used in production by TradeNet Publishing, Inc. were tested by Microbac Laboratories, Inc. in Boulder, Colorado.

TradeNet offers products in a made-to-order environment. It is not feasible to test each item produced individually or to determine if the intended audience is under the age of 12 years.

TradeNet makes this General Compliance Statement in good faith.
