

Product Presentations for Your Customers

The Compare feature in your DistributorCentral account makes it easy for you to create product presentations for your customers.

Here's how to do it:

First, search for the products that your customer is interested in, and then click on the **Compare** link for each one of those products. (we suggest that you do not exceed 10 products)

Search: Extended Search

Product Number Product Name Description
 All words Any words Exact phrase

Category: Flash Drives
Please enter a full category name

[ADVANCED SEARCH](#)
